

Opportunity for Current Tenants to Receive Housing Assistance

Dear Tenants,

We have good news to share. Stanton Management has been awarded a significant number of Project-Based Vouchers (PBVs) through The Housing Authority of the City of Hartford (HACH). This program allows us to offer housing assistance directly to current tenants who do not already receive HCV/Section 8 benefits — meaning you may be able to continue living in your current apartment at a significantly lower cost.

If your household qualifies, your rent drops to approximately 30–40% of your household income. HACH pays the remainder directly to us.

This is not a waitlist. If you qualify and complete the steps below, assistance can begin as early as August 1, 2026. Our goal is to meet that date — but we need your cooperation and timely responses to make it happen.

This opportunity will be reserved for tenants who have demonstrated that they truly treat their apartment as a home — those with a strong payment history, a well-maintained unit, and a cooperative relationship with management.

Application Process

- 1

Pre-Application Due 5/12/26

A short 10-minute questionnaire. Tell us who lives in your apartment and your household's approximate income. This lets us determine whether you're likely to qualify. Complete online using the QR code on page 2 — or use the paper form attached if needed.
- 2

Eligibility Notification By 5/15/26

We will review your pre-application and notify you whether your household is eligible to proceed to the Full Application.
- 3

Full Application Due 6/2/26

Complete the full Section 8 application and provide supporting documentation: government-issued IDs, birth certificates, proof of income (pay stubs), proof of assets (bank statements), and other items as required. We will provide you with the application and a full document checklist when you reach this step.
- 4

Pre-Inspection 5/18–6/5/26

Stanton will inspect your unit and complete any repairs needed to pass the Section 8 Housing Quality Standards inspection.
- 5

Section 8 Inspection By end of June

After HACH processes your application and confirms eligibility, they will conduct their own inspection of your unit.
- 6

Program Onboarding July 2026

You will attend a brief virtual meeting with HACH. They will explain program rules, your rights and responsibilities as a participant, and answer any questions.
- 7

HAP Contract Execution July 2026

You and Stanton Management will sign the Housing Assistance Payments (HAP) contract, finalizing your enrollment in the program.
- 8

Assistance Begins Target 8/1/26

HACH begins paying their portion of your rent directly to Stanton. You begin paying your reduced portion — approximately 30–40% of your household income.

What to Do Now: Complete the Pre-Application by May 12, 2026. It takes about 10 minutes. Use the QR code on page 2, or complete the attached paper form.

If you have any questions, please call or stop by the office. We are glad to help.

Sincerely,
Stanton Management
